

# RCOM

Manufacturer's Representative

- Circuit breakers
- Thermostats & sensors

- Enclosures & racks
- Cabinets for test systems

- High power interconnects
- Wire-to-wire, wire-to-board

- Linear position sensors
- Rotary position sensors
- Rotary encoders

- Current transformers
- Analog instrumentation
- Shunts

- LCD's
- TFT, OLED, Mono displays
- Touch panels

- Solid-state relays
- Low voltage disconnects
- SSR Cooling solutions

- Power disconnect switches
- Rotary & pushbutton
- Selector switches

- Brush & brushless motors
- Custom gears & gearboxes
- Permanent magnet motors

- Battery monitoring
- Battery charging

- AC/DC power supplies
- LED drivers
- Custom power solutions

- Lead acid batteries
- Reserve power, UPS
- Specialty batteries

- IGBT modules
- Power MOSFETs
- Rectifier diodes

- Sealed DC contactors
- High-voltage relays

- Pressure sensors
- Force sensors
- Position sensors

- Heat sink extrusions
- Bonded-fin heat sinks
- Machining

- AC & DC axial fans
- AC & DC blowers
- Fan assemblies

- EMC/EMI filters
- Power quality solutions
- Locking power cords

- Solid-state relays
- Position & pressure sensors
- Circuit breakers

- Power transformers
- Inductors & chokes
- Wireless charging
